Re: Transition to YMCA managed program

This Fall, we begin another year of fun and excitement for you and your son/daughter. We are excited to have on board, our partners with the YMCA, to add to what is already one of the strongest Adventure Programs in the country. As many of you are aware, the decision was made by Katori Leadership to have the program, which consists of Guides, Princesses and Trailblazers, merge into the Katy YMCA programs and services. As a result there will be some slight changes with registration, communication and other processes; we assure you the quality you have grown to know and love will continue. Over the next few months you will receive updates on how the new processes will work, and what steps you need to take in order to assure you maximize the fun you can have with your son or daughter.

The first step in this transition is to make sure all families involved with the Katori Nation are either a current Facility or Program member of the YMCA. Facility members are families who pay monthly dues to use the YMCA. Program members are families who pay an annual fee to utilize YMCA programs at a program member rate. The YMCA has agreed to extend a free program membership to all current Katori participants who are not currently a member of the YMCA. Please complete the attached form and either:

- Scan and email back to the YMCA at brandon.gonzalez@ymcahouston.org or
- Fax 281-392-4664 or
- Mail to 22807 Westheimer Parkway, Katy, Tx 77494 or
- Drop off at the Katy YMCA welcome center.

If you are a current facility or program member we ask you to complete the card so we can ensure we have your correct email, phone, etc. Please return the card by August 15th. Instructions of how to register for the Adventure program will be emailed within two business days after you have turned in your card.

Thank you and we are looking forward to a great year of Adventure Guides, Princesses and Trailblazers!
